SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

Pioneer Regional Metropolitan District was organized by court order dated August 21, 2006, recorded with the Weld County Clerk and Recorder on August 29, 2006, to provide financing for the design, acquisition, construction and installation of essential public-purpose facilities such as water, sanitation, streets, safety protection, park and recreation, transportation, television relay and translation, mosquito control, and fire protection. The District's service area is located entirely in Weld County, Colorado. Under the Service Plan, the District is one of six Financing Districts that are related to Pioneer Regional Metropolitan District (Pioneer Regional) which serves as the Service District. The Financing Districts provide the funding for infrastructure improvements and the tax base needed to support ongoing operations of the Service District.

The District's electorate voted on tax increases and/or debt authorization in 2006, 2008, 2010, 2014. At the District's most recent election, on May 6, 2014, the electorate authorized general obligation debt in the amount of \$330,000,000 to provide financing for the design, acquisition, construction and installation of essential public-purpose facilities such as water, sanitation, streets, safety protection, parks and recreation, transportation, television relay and translation, mosquito control, security, and fire protection, \$330,000,000 for agreements with other governments for regional improvements, \$330,000,000 for agreements with governments for District improvements, \$330,000,000 for debt refunding and \$50,000,000 for operations and maintenance. Debt is subject to the terms of the Service Plan. The electorate also approved the removal of limitations imposed by the TABOR Amendment and any other law the purports to limit the District's revenue or expenditures, a \$10,000,000 annual property tax increase for operations, a \$330,000,000 annual property tax increase for intergovernmental agreements, and a \$330,000,000 annual property tax increase for regional improvements.

On September 30, 2020, the District, along with Pioneer District Nos. 1-6, entered into the First Amended and Restated Pioneer Community Authority Board Establishment Agreement. The Pioneer Community Authority Board Establishment Agreement was originally entered into on August 26, 2020, and organizes the Pioneer Community Authority Board (the "CAB") for the purpose of operating, maintaining, repairing or replacing the Public Improvements as authorized under the Service Plans. As part of the establishment of the CAB, the CAB has assumed Pioneer Regional's role as the Service District as described in the Service Plan.

The District has no employees and all administrative functions are contractual.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.

General and Administrative

General and administrative expenditures are paid by the Pioneer Community Authority Board on behalf of the District.
